(b) When a case involves matters of interest to more than one Government agency, the interested agencies *should* maintain liaison with each other to determine whether joint action *should* be taken.

(c) When additional funds are required from another agency, the *contracting* agency *may* not approve adjustment requests before receiving advice that the funds will be available. The request for this advice *shall* give the contractor's name, the contract number, the amount of proposed relief, a brief description of the contract, and the accounting classification or fund citation. If the other agency makes additional funds available, the agency considering the adjustment request *shall* be solely responsible for any action taken on the request.
